A REVEALING GLIMPSE INTO THE HOMES OF MILAN'S FOREMOST CREATIVE RESIDENTS

INSIDE MILAN ventures behind closed doors in this trend-setting cultural capital renowned for being a world leader in fashion, industry, art, and design. In this beautifully photographed new book, icons like Veronica Etro, Martina Mondadori, JJ Martin, and Barnaba Fornasetti reveal why they call this notoriously elusive city home. From sophisticated clean lines and muted tones to rooms bursting with art and color, the palazzos and apartments showcased in this stunning volume uncover the creative heart of this vibrant and cosmopolitan city.

Masterfully immortalized through Guido Taroni's artful photography capturing each Milanese resident's idiosyncratic style, interior designer Nicolò Castellini Baldissera's carefully curated collection of interiors unveils the boundless creative energy that lies behind the city's steely, cool facade.
